

THE HARRISON COUNTY HISTORICAL SOCIETY IS LOOKING FOR NEW MEMBERS!

The Harrison County Historical Society works to ensure local lore and heritage are preserved for future generations. This endeavor is of the utmost important to protect historical items, buildings, first-account recollections of the past, and many other significant endeavors.

Preserving history is like reading a real map; to understand where you are going, you need to know where you've been. The Historical Society hopes you will consider joining them on their journey. The membership year begins July first each year; new members are, of course, gladly welcomed at any time during the year.
